

Vesna Krklinski

Personal Biography

Vesna has eight years of healthcare communications experience in both the agency and not-for-profit sectors. At Six Degrees Medical Consulting, she is responsible for strategic counsel, and day-to-day operations of several programs for various pharmaceutical organizations.

Prior to joining Six Degrees Medical Consulting, Vesna held the position of Group Manager at another consultancy working with domestic pharmaceutical clients and patient advocacy groups in the areas of mental illness, gastrointestinal disease, oncology, respirology, HIV and nutrition.

Vesna also has agency experience working with domestic and international clients, in the areas of hepatitis C, multiple sclerosis and cardiovascular disease. She has worked with patient advocacy and support groups at national and international levels involving training, development of materials, day-to-day management and played a significant role in helping to establish and launch an international patient group.

Vesna has an Honours Bachelor of Arts Degree, majoring in English and French, from the University of Toronto and also holds a diploma in Corporate Communications from Centennial College. Her continued work at a local community hospital provides a unique perspective when creating education campaigns for healthcare providers and patients.

She volunteers her time to various organizations including: the Markham Stouffville Hospital Foundation, Rethink Breast Cancer and the Brazilian Carnival Ball.
